Thank you Molly / Patty / Jill! I appreciate this and I think the revised briefing paper will come in handy for Chris as he has conversations going forward. I want to send that separately so he does the table transmittal first.

You guys have done fantastic work. Thanks.

Andrew

Hello Andrew,
We have completed reviewing and revising the comment spreadsheets per edits received on the first draft, and a clean final draft is now attached for transmittal to HQ.

I will also send a revised version of the briefing paper shortly, with corrections for the accidental omission of Geotech and minor tweaks to the comment tallies based on the cleaned up spreadsheets.

Please let me know if there is anything else I can do to assist.

Thank you,
Molly
